**James Reinertsen, Wim Schellekens, W. M. L. C. M. Schellekens : 10 Powerful Ideas For Improving Patient Care** before purchasing it in order to gage whether or not it would be worth my time, and all praised 10 Powerful Ideas For Improving Patient Care:

Provides everything you need to know about a topic in a practical, concise format. The book offers such ideas as including patients directly in the process of redesigning care systems, plans for system-level improvements, and aim for perfection rather than just match your competition.

About the AuthorJames L. Reinertsen, M.D., is chief executive officer of The Reinertsen Group, an independent consulting and teaching practice. In addition, Dr. Reinertsen is a senior fellow at the Institute for Healthcare

Improvement, where he heads the leadership development sector. Wim Schellekens, M.D., is chief executive officer of the Dutch Institute for Quality Improvement CBO in Utrecht, the Netherlands. Since 2000, Dr. Schellekens has been senior fellow and international liaison of the Institute for Healthcare Improvement.
