some insight on how to market a modern, evidence-based practice, check out Christina Acampora's Marketing Chiropractic to Medical Practices. 5 of 5 people found the following review helpful. Uplifting Book By Spine Doctor "15 Secrets" is an uplifting book for chiropractors and there are quite a few good ideas for docs to use. I think that many chiropractors develop bad habits when it comes to setting professional goals and managing time in and out of the office. This book will provide chiropractors with a way to define success as well as a way to achieve success once it has been defined. 6 of 6 people found the following review helpful. Great Message For The Profession By Charles This is a really good book that every chiropractor should own. The author presents a lot of valuable information for members of our profession. "15 Secrets" gives you that special plan to become successful and it helps you to create vital practice goals while maintaining balance in other areas of your life.

An enjoyable and practical guide designed to help those special doctors who are interested in attaining the highest level of success possible within the Chiropractic profession. Veteran Chiropractor, author, and College lecturer Dr. John Reizer reveals to readers his very own private formula for personal and professional success.
