Carol J. Buck MS CPC CCS-P : 2013 HCPCS Level II Standard Edition, 1e (Hcpcs Level II (Saunders)) before purchasing it in order to gage whether or not it would be worth my time, and all praised 2013 HCPCS Level II Standard Edition, 1e (Hcpcs Level II (Saunders)):

0 of 0 people found the following review helpful. This Will Help with CPC ExamBy DRSVery simple to use and understand; the print is large enough to be read easily. The abbreviations and their meanings are very useful in taking the CPC exam. The drug table is helpful if you're taking a pharmacology course. The book has multiple uses.0 of 0 people found the following review helpful. HCPC Level IIBy Ann HobgoodIt was a book necessary for a course I was taking for a Health Insurance Specialist Certificate. I completed the course requirements in 2013 and received my certificate for the course in 2014.0 of 0 people found the following review helpful. Great condition, looks like new.By Julie EdwardsThis book was looked like new. The only problem was the mail service bent the book leaving a fold on

the front cover. But other than the mail service, It was perfect. Thank you

Elsevier and the American Medical Association have partnered to co-publish this HCPCS Level II reference by Carol J. Buck! Code more quickly, accurately, and efficiently, and optimize reimbursement with 2013 HCPCS Level II, Standard Edition. In an easy-to-use format, this practical reference presents the latest Healthcare Common Procedure Coding System (HCPCS) codes to help you comply with coding regulations and confidently locate information on specific codes, manage supply reimbursement, report patient data, and more. Keep current with HCPCS codes with this essential medical billing reference from coding expert Carol J. Buck! At-a-glance code listings highlight all new, revised, reinstated, and deleted codes for 2013. UNIQUE! Color-coded Table of Drugs makes it easier to find specific drug information. Drug code annotations identify brand-name drugs as well as drugs that appear on the National Drug Class (NDC) directory and other Food and Drug Administration (FDA) approved drugs. Distinctive symbols identify new, revised, reinstated, and deleted codes. Codingupdates.com companion website keeps you informed of changes to ICD codes, and provides the opportunity to sign up for automatic e-mail notifications. UPDATED codes help you maintain compliance with current Healthcare Common Procedure Coding System (HCPCS) standards. UPDATED Internet Only Manual (IOM) on the companion website ensures coding accuracy with essential information on carrier-specific and Medicare-specific regulations.
