U.S. Government : 21st Century Complete Guide to Medicare, Medicaid, and Nursing Homes - Publications, Notices, Claims, and Appeals, Program Memos and Transmittals, ... and Agency Documents (Two CD-ROM Set) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 21st Century Complete Guide to Medicare, Medicaid, and Nursing Homes - Publications, Notices, Claims, and Appeals, Program Memos and Transmittals, ... and Agency Documents (Two CD-ROM Set):

This set of two CD-ROMs provides comprehensive information on the federal programs of Medicare and Medicaid, along with data on nursing home regulation and consumer advice. This incredible collection of documents is especially valuable for any health care provider or organization that deals with these important health care programs. Material includes program publications, notices, guides to claims and appeals, program memos and transmittals,

technical data for providers, and congressional and agency documents. There is extensive information for beneficiaries and people with disabilities, guides to contacts within the agency, guides to Medigap plans, services to keep people healthy, and much more. Special coverage of nursing homes includes Congressional testimony and oversight, nursing home overviews and publications, and resident rights material. Over 88,000 pages are reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Apple Macintosh systems. Reader software is included. Our CD-ROMs are privately-compiled collections of official public domain U.S. government files and documents - they are not produced by the federal government. They are designed to provide a convenient user-friendly reference work utilizing the benefits of the Adobe Acrobat format to uniformly present thousands of pages that can be rapidly reviewed, searched by finding specific words, or printed without untold hours of tedious research and downloading. Vast archives of important public domain government information that might otherwise remain inaccessible are available for instant review no matter where you are. This book-on-a-disc makes a great reference work and educational tool. There is no other reference that is as fast, convenient, comprehensive, thoroughly researched, and portable - everything you need to know, from the federal sources you trust.
