**George Conomikes : A Blueprint for Documenting Your EM Services: 1995 and 1997 Guidelines** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Blueprint for Documenting Your EM Services: 1995 and 1997 Guidelines:

If you want to go to sleep fast, try reading Medicare's Documentation Guidelines for EM Services. Even though it is difficult to decipher, it's a document that simply can't be ignored, especially if you are concerned about how well physician documentation would stand up in an audit. This special report addresses the documentation requirements according to both versions-1995 and 1997. Use either version until the final Guidelines are approved by CMS.
