Anthony R. Kovner, Alan H. Channing : A Career Guide for the Health Services Manager, Third edition

before purchasing it in order to gage whether or not it would be worth my time, and all praised A Career Guide for the Health Services Manager, Third edition:

Learn the professional and personal skills necessary to succeed as a healthcare executive. This book covers everything from finding your niche to working with clinicians. Topics covered include: * Where health services managers work *

How to build an ideal career * What skills make a good manager * How to manage physicians, boards, and others *
How to advance within an organization and within the industry
