M.N. Hegde : A Coursebook On Language Disorders In Children (School-Age Children Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Coursebook On Language Disorders In Children (School-Age Children Series):

This is a coursebook written for courses on children's language disorders, their assesement and treatment. It is written for introductory courses on language disorders in children. It is based on several books including textbooks and journal articles on language disorders in children. The emphasis in on descriptive and clinical perspective. The coursebook makes it easier for instructors to expand the basic information provided here by including complex issues and theoretical perspectives.

"Many graduates go on to work in the schools, and Dr. Hegde's clear, concise style, broad overview, and sources would be of great value.... I hope Dr. Hegde will go on to write more of these coursebooks for other graduate speech courses.... His effort in developing this method is appreciated."About the AuthorM.N. (Giri) Hedge, PhD, is Professor of Communication Sciences and Disorders at California State University-Fresno. He holds a master?s degree in
