M.N. Hegde : A Coursebook on Scientific and Professional Writing for Speech-Language Pathology before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Coursebook on Scientific and Professional Writing for Speech-Language Pathology:

0 of 0 people found the following review helpful. Four Stars By Isabel Yuliana Nieto O. Great book to improve writing skills. The examples help compare with your own writing. 0 of 0 people found the following review helpful. Writing Papers By Customer This book has helped me in my clinical observations class. It has helped me learn the technique for writing professionally. 0 of 0 people found the following review helpful. a Must have ! By Sarah . as a research SLp this is quite beneficial , very organised and easy to use . as other Hegde's publications good to have it . !

Teaching and learning to write in technical and professional language is an important part of speech-language pathology education. *A Coursebook on Scientific and Professional Writing for Speech-Language Pathology, 3e* has a long-standing tradition as the only product that covers writing skills that are specific to the profession of speech-language pathology. This product includes guidelines of scientific and professional writing based on the fifth edition of the *Publication Manual of the American Psychological Association (APA)* and provides new rules of usage and their correct and incorrect exemplars. *A Coursebook on Scientific and Professional Writing for Speech-Language Pathology* is divided into three parts covering basic writing skills that are the foundation of good writing, scientific writing in accordance with the fifth edition of APA, and writing assessment reports, treatment plan, progress reports, and professional correspondence.
