**Nancy Smith Weber : A Morel Hunter's Companion: A Guide to the True and False Morels of Michigan** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Morel Hunter's Companion: A Guide to the True and False Morels of Michigan:

2 of 2 people found the following review helpful. The Morel bible !By Galen F. HigdonI have hunted The mighty MOREL (KING of the SPRING) for over 60 years all over the state of Michigan. Several friends have asked me for advice as they got started, so I bought this book for them to borrow and read. This certainly did reduce the number of questions I had to answer over and over. The book is well written and accurate. There is perhaps too much information, but it certainly covers all the bases. I highly recommend this book whether you are a beginning morel hunter, or an experienced one. You will learn many new and important facts. Galen Higdon (MICHIGAN)0 of 0 people found the following review helpful. Great book. The only problem was that it does't ...By lisa wagnerThe science is thoroughly covered. Great book. The only problem was that it does't really address Morels of the Pacific Northwest.
