0 of 0 people found the following review helpful. Would recommendBy Danielle RecoderThis book has given me the knowledge and ability to transcribe medical records efficiently. Would recommend0 of 0 people found the following review helpful. Excellent value in essential bookBy BreezyI thought I had done this review already. But, again, I was happy with this purchase. The book was used but was in better condition than the seller said it was. This AAMT Book of Style is an essential book for medical transcriptionists, and the largest company in the U.S. that employes these people recommends this Edition 2. I could have paid, I guess, up to \$60 for it new (maybe more) and got a perfectly adequate copy for about \$12. So I'm happy!0 of 0 people found the following review helpful. Five StarsBy CustomerIt serves it's purpose.
