Michael J. Norman : Above, Down, Inside Out : Unleashing Your Spiritual Giant Within before purchasing it in order to gage whether or not it would be worth my time, and all praised Above, Down, Inside Out : Unleashing Your Spiritual Giant Within:

A future look at chiropractic's role within the oncoming spiritual paradigm of the new millenium. A fascinating look at humanity's connection to the intelligent spirit of the universe and how we can maximize our connection to this spirit, creating lives of abundance and prosperity. Beginning with a bold call for the return of spirituality to our health care system, Dr. Norman raises the consciousness of the reader and proposes a new health care approach which empowers our spiritual essence within!

"Fascinating book! This book took complex principles and made them easy to follow." -- Barbara Olson, Dallas, Texas
"Inspired writing. I could not put it down." -- Kay Smith, Carrollton, Texas
From the Publisher "Dr. Norman has written a powerful and thought provoking work that provides a glimpse into our health care system within the oncoming spiritual paradigm of the new millenium!"
About the Author Dr. Norman incorporates chiropractic, universal principles and spirituality within his private practice. He regularly speaks to groups and performs workshops in addition to his practice and his writing. He lives with his wife and daughter in Carrollton, Texas.
