Accp : ACCP-SEEK: Pulmonary Medicine (Assessment in Critical Care and Pulmonology - Self-Education and Evaluation of Knowledge) before purchasing it in order to gage whether or not it would be worth my time, and all praised ACCP-SEEK: Pulmonary Medicine (Assessment in Critical Care and Pulmonology - Self-Education and Evaluation of Knowledge):

This invaluable study tool comes directly from the content blueprints for the Pulmonary Disease subspecialty board examination. It consists of 200 case-based questions written to test your recall, interpretation, and problem-solving

skills. Case-based questions feature patient histories, lab workups, and diagnostic images. Both right and wrong answers are discussed in detail.
