Barbara J Aehlert RN BSPA : ACLS Study Cards, 3e before purchasing it in order to gauge whether or not it would be worth my time, and all praised ACLS Study Cards, 3e:

0 of 0 people found the following review helpful. Good study guide By Kathi Just what was needed to study ACLS 2 of 2 people found the following review helpful. Very comprehensive! By Katt978 I wish I had these the first time I took ACLS! These are easy to tear apart and very sturdy! The cards are divided up into chapters and nothing is left out! This book was well worth the price! 1 of 1 people found the following review helpful. Caution!!!!!!! By C. Massena Any buyers need to really be aware that these cards are outdated. They do NOT include 2010 AHA changes!!!!!!! That limits their effectiveness!

500 flashcards make it easy to study ACLS anytime, anywhere! Corresponding to Aehlert: ACLS Study Guide, 3rd Edition, these flashcards offer a quick, concise overview of the information you need to know to pass ACLS. Each card includes a question on the front and an answer on the back. Offered in book format, these flashcards may be

removed and organized by topic. 500 study cards cover each ACLS topic. Full-color design allows for color coding and easy correlation with the ACLS Study Guide. Numerous high-quality illustrations including practice rhythm strips offer visual clarity for easier understanding of ACLS concepts. A newly combined vascular access and medication section covers methods to access the venous circulation and common medications used during cardiac emergencies. Case studies give you the opportunity to practice correct patient management. Perforation allows you to remove the cards to make your own customized study decks. Content corresponds to Aehlert: ACLS Study Guide, 3rd Edition and the 2005 ECC guidelines. 100 cards on dysrhythmia recognition with 30 new practice rhythm strips provide a great refresher on rhythm recognition. 34 new cards cover special resuscitation situations.

About the Author Barbara Aehlert is the President of Southwest EMS Education, Inc. in Phoenix, Arizona and Pursley, Texas. She has been a registered nurse for more than 30 years with clinical experience in medical/surgical and critical care nursing and, for the past 18 years, in prehospital education. Barbara is an active CPR, First Aid, ACLS, and PALS instructor and takes a special interest in teaching basic dysrhythmia recognition to nurses and paramedics. She is a consultant with the Southwest Ambulance paramedic program in Mesa, Arizona, and an active member of the Pursley, Texas, Volunteer Fire Department.
