wendesmith1@bigpond.com By Marine Rescuesmith Accurately described pleased with delivery ahead of expected time for a gift . I certainly would recommend this seller Wished I could buy an aged / new activator tool for surprise gift for a family member studying Chiropractic (ex Vet) now allergic to dogs and cats) regardless of price to go with the book 9 of 13 people found the following review helpful. Superior Chiropractic Technique Text By A Customer Dr. Fuhr has compiled one of, if not the most, comprehensive and professionally written text in the field of Chiropractic. With the support of clinical data, Activator Methods succeeds in producing a text to promulgate its clinically substantiated Chiropractic Technique.

Introducing the first book published on this low-force adjusting technique. It offers a how-to approach to the AMC technique, guiding you from basic scan protocols through more advanced course work. Written in a clear, concise, and easy-to-follow form, it first introduces the technique and then discusses how it is applied to every region of the body. Also provides valuable clinical information on specific symptoms, ways to rule out particular conditions, contraindications, and treatment suggestions. \* Covers an effective, low-force method--suitable for any patient. \* Co-written by a founder of AMCT. \* Takes you step by step through treatments for every body part. \* Helps you evaluate symptoms, rule out conditions, and select treatment. \* Provides scientific rationale for each test.
