Christine Malone : Administrative Medical Assisting: Foundations and Practices (2nd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Administrative Medical Assisting: Foundations and Practices (2nd Edition):

Administrative Medical Assisting, Second Edition, provides readers with a thorough understanding of the administrative areas of medical assistingmdash;from communication styles to insurance billing to patient safety and more. This text fully addresses the administrative competencies of both the Accrediting Bureau of Health Education Schools (ABHES) and the Commission on Accreditation of Allied Health Education Programs (CAAHEP) for medical

assisting programs. The text's teaching and learning package includes an Instructor Resource Guide, a Student Workbook, and more. Teaching and Learning Experience: Provides extensive coverage of the administrative medical assisting profession
