**Linda L. French, Marilyn T. Fordney : Administrative Medical Assisting [With Worksheet]** before purchasing it in order to gage whether or not it would be worth my time, and all praised Administrative Medical Assisting [With Worksheet]:

0 of 0 people found the following review helpful. Don't Buy! Product doesn't work!By catwI ordered this book/program for my college class and used the online simulator (required by my instructor). It never worked after the first use and I called tech support every week, I was told they were working on the problem and never fixed it. I contacted them in January and at the end of March I still couldn't do my class assignments. I failed the class because of this issue!
