Kathryn A. Booth : Administrative Procedures for Medical Assisting before purchasing it in order to gage whether or not it would be worth my time, and all praised Administrative Procedures for Medical Assisting:

Respected for its inclusive coverage of AAMA, AMT, NHA, RMA, NOCTI, CAAHEP and SCANS, Booths fourth edition now provides the 2010 ABHES and 2008 CAAHEP standards in each chapter! Preparation for Certification Boxes have been added to this edition to focus students on the specific exam they will take. 18 Electronic Health Record activities are incorporated into the text and available online through SpringCharts, simulating real patient encounters. Emergency Preparedness and a completely revised workbook that now includes competency work products have been added for the 4th edition. ACTIVSim, LearnSmart, and Connect Plus+ digitally enhance learning with Booths Medical Assisting!
