O.I can't say anything bad, this book contains everything you need to pass the Advanced Assessment and Treatment of Trauma course, therefore it gets 5 stars. On a side note, if your protocol will allow this in place of ITLS, the course is significantly cheaper than ITLS.0 of 0 people found the following review helpful. Good textbook. By Chan Woon Man A good textbook for the paramedic.0 of 0 people found the following review helpful. Easy reading By Peggy Moats Very good book to have and easy reading! Easy to understand and good source of information. Def a good book to have
