The most recent version is obviously preferable and is cheaper! Make sure you're buying the most recent version.1 of 1 people found the following review helpful. Waste of time and money.By JamieThe version I was led to believe I was purchasing was for the new guidelines. This is the OLD (aka: WORTHLESS) version. Buyer beware.0 of 0 people found the following review helpful. Good reference bookBy RandyI grew weary of checking out this book from work, so I bought my own copy. This also means I can review it more frequently than every two years!

The guidelines for ACLS were revised in 2015, so this book no longer has all the information needed for ACLS certification.
