**National Safety Council Nsc : Advanced First Aid, CPR and AED Student Workbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Advanced First Aid, CPR and AED Student Workbook:

0 of 0 people found the following review helpful. Five StarsBy Brandy WilsonGreat condition and price0 of 0 people found the following review helpful. great book, not so great studentBy Ms.rhettaBook arrived in great condition and very quickly. wish the kid who bought it had applied himself. Just study you'll be glad you did.0 of 0 people found the following review helpful. Not to happy with product or serviceBy Abby TorrenceBought this book for a college class and it didn't come with the DVD i needed. When I asked the company they told me to simply look on their website (which wasn't posted). Not to happy with product or service. But the book is fairly nice.

Brand new, never used, bought for a class last semester.
