#5047624 in Books 2013-07-01 Original language: English PDF # 1 11.00 x 8.50 x 1.00l, 2.70 Binding: Perfect Paperback 514 pages | File size: 40.Mb

J. Mark Melhorn, MD, James B. Talmage, William E. Ackerman III, Mark H. Hyman : AMA Guides to the Evaluation of Disease and Injury Causation (Physician Characteristics Distribution in the U.S) before purchasing it in order to gauge whether or not it would be worth my time, and all praised AMA Guides to the Evaluation of Disease and Injury Causation (Physician Characteristics Distribution in the U.S):

Features and Benefits: Written and edited by J. Mark Melhorn, MD, William Ackerman, MD and 13 nationally-recognized contributing experts This breakthrough publication tackles the issues of occupational and non-

occupational, evidence-based causation Case examples that serve as powerful learning tools to physicians and other health care professionals who provide input to medical determinations
