American National Red Cross : American Red Cross Infant and Child Cpr before purchasing it in order to gage whether or not it would be worth my time, and all praised American Red Cross Infant and Child Cpr:

0 of 0 people found the following review helpful. gave this to a new mother as part of a shower giftBy C.Blantonit is important that all parents know how to take care of their infant and/or child in an emergency. when educated, a parent can help their child before EMS arrives. I try to give this type of information along with their baby gift. also, a small first aid kit and instructions on what to do and when to do it.
