Keith T Monosky, Jeffrey T. Lindsey Ph.D : Analytical Approaches to EMS (Ems Management) before purchasing it in order to gage whether or not it would be worth my time, and all praised Analytical Approaches to EMS (Ems Management):

0 of 0 people found the following review helpful. Good Technical ContentBy Jinger L. RanalloVery informational and well written.

Analytical Approaches to EMS provides the necessary foundation for effective and adaptive analysis of EMS systems and organizations. By applying the principles and practices in the book, the EMS manager, administrator, or provider can avoid common mistakes in decision making and problem solving. For information on teaching and learning resources, please contact your Brady representative. Teaching and Learning Experience Provides a framework for

identifying problems in an organization or EMS system.
