Debra J. Barnes : Anatomy of the Lower Extremity before purchasing it in order to gage whether or not it would be worth my time, and all praised Anatomy of the Lower Extremity:

1 of 1 people found the following review helpful. excellent bookBy gc123My daughter needed this book as a requirement for podiatry school. Arrived on time and in good condition. This book is written well and a great source of information. Love buying books on . They have exactly what I need at a lower cost than the conventional book store and I don't have to leave the house!!!

This Book is In Print and will be available in June 2011.
