Janet Houser, Kathleen S. Oman : Evidence-Based Practice: An Implementation Guide for Healthcare Organizations before purchasing it in order to gage whether or not it would be worth my time, and all praised Evidence-Based Practice: An Implementation Guide for Healthcare Organizations:

0 of 0 people found the following review helpful. A Wonderful ResourceBy worker beeI checked this book out at a library based on a recommendation from a colleague. It was so helpful that I wanted my own copy. I utilize it heavily.

Evidence-Based Practice: An Implementation Guide for Healthcare Organizations was created to assist the increasing number of hospitals that are attempting to implement evidence-based practice in their facilities with little or no guidance. This manual serves as a guide for the design and implementation of evidence-based practice systems and provides practice advice, worksheets, and resources for providers. It also shows institutions how to achieve Magnet status without the major investment in consultants and external resources.
