Dr. Ben Hirst, Performance Training Systems : Exam Prep: Hazardous Materials Technician before purchasing it in order to gage whether or not it would be worth my time, and all praised Exam Prep: Hazardous Materials Technician:

0 of 0 people found the following review helpful. Hazmat TechBy JasonI was concerned about how I would do on my test just from what people had told me. When I opened my exam I was many of the states questions that had been in the study guide. If you want an extra hand in scoring well on your tech test I suggest this study guide.0 of 0 people found the following review helpful. Helped me prepare for the exam betterBy Ryan HansenExactly as described. Helped me prepare for the exam better0 of 0 people found the following review helpful. Exam PrepBy Dawn DawkinsStudy Guide for HazMatGood informationGreat preparation for taking the testWill help you get ready for the test

Your exam performance will improve after using this system! Exam Prep: Hazardous Materials Technician, Second

About the Author Dr. Ben A. Hirst is President of Performance Training Systems (PTS). Over the past 16 years, PTS has become the leading provider of valid testing materials for the certification, promotion, and training of fire and emergency medical personnel. These testing materials are used by 55 certification agencies, over 250 fire departments, and over 100 training academies and colleges worldwide. Established in 1873, the International Association of Fire Chiefs (IAFC) is a powerful, professional membership organization of more than 12,600 chief fire and emergency officers. The mission of the IAFC is to provide leadership to career and volunteer chiefs, chief fire officers, and managers of emergency service organizations throughout the international community through vision, information, education, services, and representation to enhance their professionalism and capabilities. Members of the IAFC are the world's leading experts in fire fighting, emergency medical services, terrorism response, hazardous materials spills, natural disasters, search and rescue, and public safety legislation.
