The material from Dr. Ben Hirst was a good refreshers for me.1 of 2 people found the following review helpful. Ok bookBy Ashley WhitedThis book is ok. It was a lot of good questions in it with varying levels of difficulty. The one thing I disliked about it is that there aren't rationales in it. I studied with it for a little bit but quickly moved on to a new book which was a lot better.

Exam Prep: Paramedic is designed to prepare you to sit for a Paramedic certification or training examination by including the same type of multiple-choice questions you are likely to encounter. The manual follows the Systematic

Approach to Examination Preparation, developed by Performance Training Systems, Inc., to help improve examination scores. The practice examinations were written by emergency medical service personnel and the content was validated through current reference materials and technical review committees.
