Robert Harwood : Exam Review and Study Guide for Perinatal/Pediatric Respiratory Care before purchasing it in order to gauge whether or not it would be worth my time, and all praised Exam Review and Study Guide for Perinatal/Pediatric Respiratory Care:

2 of 2 people found the following review helpful. Exam Review Study Guide Perinatal/Pediatric Resp Care By G. Molina This is an excellent study guide for anyone who is planning to take the NPS exam. I strongly recommend that you keep the book as a reference book.

-- Summarizes the essential information regarding perinatal/pediatric respiratory care in outline format-- Can be used to prepare for the NBRC Perinatal/Pediatric Respiratory Care Specialty Exam; can also be used as a supplementary study guide by students who are taking a perinatal/pediatric course-- Covers all areas of the NBRC Perinatal/Pediatric

Respiratory Care Specialty Exam and provides a detailed bibliography for further information-- Contains a pretest that helps the reader determine areas of weakness and a post-test to reassess knowledge-- Each chapter ends with review questions-- Provides a detailed bibliography for additional resources
