IAFC : Fire Officer: Principles And Practice, Student Workbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Officer: Principles And Practice, Student Workbook:

0 of 0 people found the following review helpful. Increase your knowledgeBy ben juholaI had taken an Officer II exam and failed, I was concerned since I read the book and felt sure on retaining most of its information. I purchased this workbook to help me retain important topics and better prepare myself for the next exam since failure is not an option. After taking the second exam I felt good and enthusiastic about the exam. I will find out in the upcoming weeks on the results which I'm confident on passing.Thank you,OFFICER II CANDIDATE0 of 0 people found the following review helpful. The questions are good enough to help you review the materialBy Martin OconnorOver \$50 for a book printed on newsprint paper. What gives? The questions are good enough to help you review the material. I made copies, and kept the book intact so I could resell it when finished.0 of 0 people found the following review

helpful. Four StarsBy Ericgreat study tool!

This resource is designed to encourage critical thinking and aid comprehension of the course material through use of the following materials: Case studies and corresponding questions Figure-labeling exercises Crossword puzzles Matching, fill-in-the-blank, short-answer, and multiple-choice questions The Student Workbook also includes an answer key that is page referenced to the Fire Officer: Principles and Practice, Second Edition text.
