I did received Volume I as expected, but have not received Volume II yet. My classes start next week. Any idea as to when Volume II is expected to arrive? Thanks. Take care. Jorge5 of 6 people found the following review helpful. Invaluable resourceBy fireguyInvaluable resource to the fire science student, a comprehensive and thorough reference guide. It is a little cumbersome at first due to the two volumes but that is overshadowed but it completeness.2 of 3 people found the following review helpful. Books were greatBy JennySo easy to read, and a wealth of knowledge. Not even the best search engine is as helpful as these two books.
