Alton L. Thygerson, National Safety Council : First Aid and CPR Essentials before purchasing it in order to gage whether or not it would be worth my time, and all praised First Aid and CPR Essentials:

0 of 0 people found the following review helpful. Three StarsBy Alejandra the book was not exactly what i wanted, but it will work.. i guess
0 of 0 people found the following review helpful. Perfect CPR every time!!!By Mark This book was my College required CPR and First Aid book. This book is loaded with great illustrations and lots of information. I recommend this book to anyone who is looking to be certified even if it is not required reading for your certification.
2 of 2 people found the following review helpful. GREAT BOOKBy A. Modiga It is a book full of great photos that guide you to learn what text describes. It is a comprehensive modern guide for ones who know nothing about first aid. It is readable by everybody and very concise.

Presents essentials from an approved text for the National Safety Council's First Aid and CPR course. Early chapters

cover legal issues, precautions, victim assessment, and basic life support techniques, and later chapters detail procedures for emergency treatment of bleeding and shock, wounds, burn
