American Academy of Orthopaedic Surgeons (AAOS) : First Responder: Your First Response In Emergency Care before purchasing it in order to gage whether or not it would be worth my time, and all praised First Responder: Your First Response In Emergency Care:

0 of 0 people found the following review helpful. Good, cleanBy Craig M. KuhnYou know that video included with this book was helpful. I guess that kind of help can work on getting me over the whole AAOS thing. Has anyone heard of American Academy of Orthopedic Surgeons? This was all new news to me. Good, clean, accurate, help so far.0 of 0 people found the following review helpful. Good First Aid BookBy SARGON 12An older edition. Aside from the outdated ABC its still contains good information.0 of 0 people found the following review helpful. Five StarsBy MMeet expectations

The only First Responder training program endorsed by a national organization, First Responder, Fourth Edition continues with an assessment-based approach to First Responder training. The Fourth Edition fully integrates the 2005

CPR and ECC guidelines and includes new chapters on: communications and documentation; geriatric emergencies; and terrorism awareness. Designed to meet the needs of law enforcement personnel, fire fighters, rescue squad personnel, athletic trainers, college students, and laypersons, the new features found in the Fourth Edition will help students take the next step toward becoming outstanding First Responders. These features include: endorsement by the American Academy of Orthopaedic Surgeons; You are the Provider, attention-grabbing case studies found in every chapter; Special Population Tips, discussing the specific needs and emergency care of special populations, including pediatric, geriatric, and special needs patients; Enhanced skill drills; and First Responder Practical Skills Review DVD, packaged free with the Fourth Edition. The Fourth Edition fully integrates the 2005 CPR and ECC guidelines and includes new chapters on: ++ Communications and Documentation ++ Geriatric Emergencies ++ Terrorism Awareness Designed to meet the needs of law enforcement personnel, fire fighters, rescue squad personnel, athletic trainers, college students, and laypersons, the new features found in the Fourth Edition will help students take the next step toward becoming outstanding First Responders. These features include: ++ Endorsement by the American Academy of Orthopaedic Surgeons ++ You are the Provider, attention-grabbing case studies found in every chapter ++ Special Population Tips, discussing the specific needs and emergency care of special populations, including pediatric, geriatric, and special needs patients ++ Enhanced skill drills ++ First Responder Practical Skills Review DVD, packaged free with the Fourth Edition
