National Association of EMS Educators (NAEMSE) : Foundations of Education: An EMS Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Foundations of Education: An EMS Approach:

0 of 0 people found the following review helpful. It was missing several pages and repeated another section. ...By Danny OppermanIt was missing several pages and repeated another section. I sent it back and ordered a second copy and it was the same problem. Not sure if the publisher is aware of this issue.0 of 0 people found the following review helpful. The rock.By Tim ReitzA must have resource for new and experienced EMS educators. This does provide the reader with a foundation to build upon no doubt. My first go to book when working on professional development programs for educators.0 of 0 people found the following review helpful. Great text, but I have four books for a ...By Travis L. PierceGreat text, but I have four books for a class that is missing a section and repeats part of a section. Other than that, it's a good text.

Authored by the National Association of EMS Educators (NAEMSE) in partnership with leading experts in the EMS field, FOUNDATIONS OF EDUCATION: AN EMS APPROACH provides you with EMS specific tools and techniques to design, deliver, and evaluate learning. Focused on enhancing the learning experience, this book guides you to legally and ethically write objectives, prepare lesson plans, evaluate learning, and deliver education in the classroom, field, and clinical settings. In addition, FOUNDATIONS OF EDUCATION: AN EMS APPROACH provides a foundation from which you and your program director can work collaboratively to develop instructionally sound education programs that meet the National EMS Education Standards, and exceed State and National Accreditation requirements.

"Whether you teach CPR classes as a side job or you spend your whole day in a paramedic classroom; this book is an invaluable reference tool for any EMS educator looking to maintain or enhance their skill and knowledge bases." Sherm Syverson, Director of Education, F-M Ambulance/Bismark State College
About the Author NAEMSE is a national, nonprofit association formed to support EMS training curricula and instructors. Members include instructors, teachers, training officers, directors, and advisors for EMS training institutions.
