Recipes for Detox, Health and Weight Loss (Fruit Infused Water for Health, Alternative Medicine for Childrens Health) (Volume 1):

0 of 0 people found the following review helpful. Great bookBy XileneI'm new on this fitness field, so trying to get different alternatives for what I eat and what I drink is really hard, all the things have sugar and the diet products are full with colorants and all kind of unhealthy stuff, so I got his book because I saw an interesting name, the book is about getting some delicious waters, they have flavor but are not done in the industry but homemade so it made them delicious and healthy.Overall the books has a lot of great ideas on how to make this delicious water, and how to change the way you see food, It's a great alternative for all those juices and sodas, I think it's a great book1 of 1 people found the following review helpful. Easy to make and most veggies and fruits can easily ...By NilufarLearned how to make my own healthy, nutritious flavored water with nothing artificial just the goodness of real foods, herbs, and spices from this guide. Easy to make and most veggies and fruits can easily be find in the market. With this treat, there's no need to be guilty having such good detox option to my body.
