Paul R. Demuro : Fundamentals of Managed Care Network Development a Business Guide for Healthcare Professionals P (Hfma Healthcare Financial Management Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fundamentals of Managed Care Network Development a Business

Guide for Healthcare Professionals P (Hfma Healthcare Financial Management Series):

Describes the types of managed care organizations and providers, the forms of provider payment, and managed care contracting. Capitation as a preferred payment mechanism, the need to align financial incentives, risk pools, and Medicare and Medicaid risk arrangements are also discussed.
