Guthrie McConnell : General pathology and bacteriology for dental students before purchasing it in order to gage whether or not it would be worth my time, and all praised General pathology and bacteriology for dental students:

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing

or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. ++++ The below data was compiled from various identification fields in the bibliographic record of this title.
