American Geriatrics Society, National Council of State EMS Training : Geriatric Education For Emergency Medical Services (GEMS) before purchasing it in order to gage whether or not it would be worth my time, and all praised Geriatric Education For Emergency Medical Services (GEMS):

1 of 1 people found the following review helpful. Five StarsBy Christopher LeeGood1 of 1 people found the following review helpful. A MUST HAVE BOOK for EMSBy Leslie BrockThis book will definitely enhance your treatment skills. I am currently looking for a class to attend. Can't wait to sit the class.1 of 1 people found the following review helpful. Five StarsBy ChristainGreat

Designed specifically for First Responders, EMTs, Paramedics, and all other emergency care providers, this national continuing education curriculum is the most credible and complete source of prehospital medical information for the older population.
