Patricia A. Tabloski : Gerontological Nursing: The Essential Guide to Clinical Practice 2nd (second) edition
before purchasing it in order to gage whether or not it would be worth my time, and all praised Gerontological
Nursing: The Essential Guide to Clinical Practice 2nd (second) edition:

0 of 0 people found the following review helpful. The textbook was badly needed and will be an excellent reference
for nursing gerontology coursesBy Julia ThornburyThis textbook is extremely comprehensive. It's strength is
combining the theories of gerontology with the clinical management. The textbook was badly needed and will be an
excellent reference for nursing gerontology courses. I recommend it highly.Julia M. Thornbury, PhD, RN,C., MSN,0
