Andrew J. Rodican : Getting Into the PA School of Your Choice before purchasing it in order to gage whether or not it would be worth my time, and all praised Getting Into the PA School of Your Choice:

5 of 11 people found the following review helpful. Not for the experienced applicantBy E. GirardThis book is fairly elementary and not very usefull to any one who has done any other reading about the application process for medical or physicians assitant schools.20 of 24 people found the following review helpful. The BestBy A CUMC PA studentThis book helped me get into Cornell Medical PA program. This was my first choice, and I couldn't have done it without this book.7 of 7 people found the following review helpful. THE book to get into PA School!By Joseph J. Hamilton, PA-C, NRPThis is THE book you need to get into the PA school of your choice. My choice was the Stanford University Primary Care Associate Program (PCAP). I read this book, followed it's recommendations, read it again/used it as a reference, applied to one program, and was accepted... to the school of MY choice. If you have

determined that a career in medicine as a PA is what you want to do, get this book, use it, and get into the school of YOUR choice!

This book gives you all the information and motivation you need to become a student in a physician assistant program anywhere in the country.

From the Back Cover
Key Benefit: This book gives you all the information and motivation you need to become a student in a physician assistant program anywhere in the country. **Key Topics:** Candid and clear, the author describes how to set goals, follow through, and succeed in becoming a PA. Featuring thorough coverage all PA programs, applications, interviewing, budgeting a student lifestyle, and realistic financial aid information, this book is the best resource for anyone considering a career in this fast-growing field. **Market:** Undergraduate college students, and anyone considering a career as a physician assistant.
