Brian Edwards, Margaret Fall : The Executive Years of the NHS: The England Account 1985-2003 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Executive Years of the NHS: The England Account 1985-2003:

A guide to clinical effectiveness and governance, this second edition includes clinical governance issues. It aims to increase awareness of, and skills in, an evidence-based approach to health care, and there is advice on collecting, evaluating, interpreting and applying evidence.
