Glenn Copeland : The Foot Book: Relief for Overused, Abused Ailing Feet before purchasing it in order to gage whether or not it would be worth my time, and all praised The Foot Book: Relief for Overused, Abused Ailing Feet:

2 of 3 people found the following review helpful. Foot book By Kristi Gabriel In researching to teach a reflexology course, I found this book very informative and practical.

Provides comprehensive information on foot topics ranging from corns and callouses to orthopedics and odor. Considers such specific concerns as walking, running and dress shoes, varicose veins, corrective surgery, sports related ailments, women's foot problems as well as geriatric foot needs. Also features the latest advances in diagnostic equipment, particularly bone scanners and new computer analysis techniques.
