Barrie Savory : The Good Back Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Good Back Guide:

0 of 0 people found the following review helpful. A really important book...By Sebastian GI it is so easy to forget to look after your spine. In this excellent and easy to ready guide Barrie reveals how the world around us is almost purposely designed to damage our postures... and how we can make sure we overcome it and stay supple. Really easy

to read, really informative, and one of the few books you could honestly say might change your life!

Not everyone has the time or money to visit a chiropractor or osteopath. This is a unique users guide to the prevention and treatment of back pain by a leading British osteopath.

About the AuthorBarrie Savory has lectured and treated patients extensively throughout Europe and America. He serves as a Trustee at London's Osteopathic Centre for Children. He divides his time between London and France.
