Medical billing is one of the fastest-growing employment opportunities in the United States today.nbsp; Insurance companies, medical offices, hospitals and other health care providers are in great need of trained personnel to create medical claims.nbsp; This book will ensure learning the skills necessary to become anbsp; successful medical claims biller.nbsp; It is presented in anbsp;comprehensive, yet user friendly way, following a logical learning format

beginning with a broad base of information and then, step by step, following the course for creation of a medical claim. This book teaches the skills necessary to become a well-rounded medical biller. By completing this course of study with a satisfactory grade, the user will be granted a certificate and can have the opportunity to work towards an "Honors Certificate", which is even more valuable to a potential employer.
