Allison Sarubin Fragakis, Cynthia A Thompson : The Health Professional's Guide to Popular Dietary Supplements, Third Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Health Professional's Guide to Popular Dietary Supplements, Third Edition:

Twenty-nine new dietary supplements have been added to this edition! This guide comprehensively explores the media claims, drug-supplement interactions, dosage information and relevant research for more than 100 of today's most popular dietary supplements. Completely revised, updated and indexed information is provided for dietetics professionals and their clients. Written by industry experts, this guide's recommendations are reliable and backed by

credible clinical research. A Doody Core Title!
