Brian W. Kozik : The Healthcare Auditor's Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Healthcare Auditor's Handbook:

The Healthcare Auditor's Handbook, HCPro's book and CD-ROM resource, will help you develop a logical audit process and follow it from beginning to end. It includes tools and forms you can use immediately to strengthen your auditing program. You'll find the forms on the accompanying CD-ROM, so you can easily download them, customize them, and start using them right away. The Healthcare Auditor's Handbook is an essential partner in your auditing success, whether you work in a hospital, physician practice, clinic, long-term care facility, or ambulatory surgery center.

About the Author Brian W. Kozik is director of compliance and audit services for the North Shore Medical Center in Salem, MA. He is responsible for overseeing the medical center's comprehensive compliance program for Salem Hospital, North Shore Children's Hospital, Union Hospital, Shaughnessy-Kaplan Rehabilitation Hospital, and Charter Professional Services Corporation. He has more than 20 years of experience in the internal audit, process-improvement field, and five years of experience in healthcare compliance. Brian is an active member of the Health Care Compliance Association, the Society of Corporate Compliance and Ethics, the New England Healthcare Auditors Association, and the Institute of Internal Auditors Association.
