**Greg M. Shaw : The Healthcare Debate (Historical Guides to Controversial Issues in America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Healthcare Debate (Historical Guides to Controversial Issues in America):

1 of 1 people found the following review helpful. Five StarsBy AudreyThis was an excellent book for nurses and others!

With the debate over health care consuming the nation, this timely book looks at the evolution of healthcare policy in the United States throughout its history. Includes a timeline of significant developments in the history of health care in the United States. Tables and figures illustrate cross-time trends in expenditures, media coverage, and public opinion

About the AuthorGreg M. Shaw is associate professor of political science at Illinois Wesleyan University, Bloomington, IL, where he teaches courses on American social policy and public opinion.
