Scott B. Ransom, Maulik S. Joshi, David Nash : The Healthcare Quality Book: Vision, Strategy, and Tools before purchasing it in order to gage whether or not it would be worth my time, and all praised The Healthcare Quality Book: Vision, Strategy, and Tools:

0 of 35 people found the following review helpful. GreatBy Brenda ShaferThe quick service of getting this book for a college course was great. Thanks for being quick.

This book provides authoritative and comprehensive coverage of the tools and techniques of quality improvement. The book's core premise is that the key to effective improvement is centering all efforts on the needs of patients. The editors have assembled a nationally prominent group of contributors to provide the best available thinking in each area of quality.

About the Author Scott B. Ransom, D.O., M.B.A., M.P.H., FACHE, is director of the Program for Health Improvement and Leadership Development and as associate professor with tenure in obstetrics, gynecology, health management and policy at the University of Michigan in Ann Arbor. Maulik S. Joshi, Dr.P.H., is president and chief executive officer of the Delmarva Foundation in Easton, Maryland. Delmarva is a not-for-profit, national, quality improvement organization. David B. Nash, M.D., M.B.A., is the Dr. Raymond C. and Doris N. Grandon Professor and chair of the department of health policy at Jefferson Medical College of Thomas Jefferson University in Philadelphia.
