Mark Kauffman, Michele Roth-Kauffman : The History and Physical Examination Workbook: A Common Sense Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised The History and Physical Examination Workbook: A Common Sense Approach:

0 of 0 people found the following review helpful. nice referenceBy dawnelle sagerI Just bought the book but it seems to be a Decent reference book so far. I recommend it to anyone needed a little help with exams.0 of 0 people found the following review helpful. Good bookBy LeslieI loved it. Good book for the beginner and amateur. Helps to quiz self on whats needed for a specific chief complaint0 of 0 people found the following review helpful. It's well enough.By CalvinThis is a good book, but I think there is a push for the COMLEX Level 2-PE at my medical school. If you are

thinking of getting it for the COMLEX and not for class, I'd skip it. Get the COMLEX review book. Nevertheless, for my HnP class, it was well written and organized.

During a typical office visit, a provider has approximately fifteen minutes to interview, examine, diagnose, and appropriately treat each patient. The History and Physical Examination Workbook: A Common Sense Approach, is a must-have resource for developing these skills. Providing clinical practice in the art of performing H and Ps through the use of flow models, this workbook encourages students to avoid memorization and develop a logical approach to patients chief complaints by allowing them to partner up as patient and
