**Montague Summers : The History of Witchcraft and Demonology** before purchasing it in order to gage whether or not it would be worth my time, and all praised The History of Witchcraft and Demonology:

2 of 2 people found the following review helpful. and recommend it to this dayBy Douglas HelvieIt is an old classic that I have read many years ago, and recommend it to this day.1 of 1 people found the following review helpful. Five StarsBy CustomerJust what I wanted.0 of 0 people found the following review helpful. Great birthday present for my sister!By CustomerMy sister almost cried of pure joy, she had been fangirling over this book for awhile.

This volume contains a collection of letters addressed to Rev. William E. Channing, D. D. on the subject of 'fallen spirits'. William Ellery Channing (1780 - 1842) was the most well-known Unitarian preacher in early-nineteenth century America. He was famous for his intelligent and moving sermons and speeches, and was an important contemporary thinker. "The History of Witchcraft and Demonology" is highly recommended for those with an interest in the occult and supernatural, and it would make for a fantastic addition to collections of allied literature. Contents include: "Introduction. Statement of Subject," "Preparatory Argument," "Scriptural Argument Commenced," "Scriptural Argument Continued," "Scriptural Argument Concluded," "Recapitulation. Philosophical Argument. Objections considered," and "Inferences. Conclusion." Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.
