**HCPPro a division of BLR, Jean S. Clark RHIA CSHA, Heather Forbes BSN RN CEN CSHA HACP : The Joint Commission Mock Tracer Made Simple, 18th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Joint Commission Mock Tracer Made Simple, 18th Edition:

The Joint Commission Mock Tracer Made Simple, 18th Edition, the newest version of HCPPro's premier survey prep guide, helps you ensure everyone is ready when surveyors walk through your front door. The book breaks down the latest Joint Commission standards in a mock survey checklist format and guides you through practice tracers throughout your organization. Use these tools to train chapter leaders and committee members to easily delegate the right forms to the right people on their committees. This completely updated edition reflects changes to the Joint Commission standards and National Patient Safety Goals, including the adoption of the 2012 Life Safety Codereg;. It

also comes with a companion PDF that makes it easier for survey coordinators to distribute tools and checklists to the appropriate staff. This training resource will help you: -Identify and address compliance weak spots before surveyors find them -Determine whether your facility and staff are ready for survey -Train staff on their survey roles and responsibilities -Use survey simulations and checklists to keep yourself organized and ensure maximum readiness - Save time with a handy collection of customizable lists and forms, distributable in print or electronically

About the Author Jean S. Clark, RHIA, CSHA, has been a leader in the field of accreditation and regulatory compliance and health information management for more than 30 years. She graduated with honors from the Medical University of South Carolina School of Health Related Sciences. She served as the president of the American Health Information Management Association (AHIMA), the International Health Information Management Association, and the Southeastern Medical Record Association, as well as serving two terms for the South Carolina Health Information Management Association (SCHIMA). She also received AHIMA's Distinguished Member, Literary, and Volunteer awards and the Southeastern Medical Record Association and SCHIMA Distinguished Member award. She is a well-known author and speaker on accreditation and regulatory compliance. Clark lives in Charleston, South Carolina. Heather Forbes, BSN, RN, CEN, CSHA, HACP, is an independent healthcare accreditation consultant with a passion for mentoring new accreditation consultants and leveraging accreditation and regulatory standards for improving patient safety across all continuums of care. In addition to accreditation and regulatory readiness, Forbes has experience in leadership, developing and implementing sustainable clinical education programs, critical care nursing, and healthcare technology. She is a published author, speaker, and advisor for healthcare accreditation, including Joint Commission and CMS.
